Thank you to a wonderful bunch of kids - The Children of Light Choir! They have worked very hard to bring you this musical and I want you all to know how proud I am of them. This year, they have not only sung, laughed, and often been a bit rowdy; but they have also learned many lessons about supporting each other, being Jesus' love to others and given me many blessings as I watch them individually grow in their faith.

I would also like to thank Michelle Unruh for her willingness to accompany the choir on piano. She is a wonder! Also thanks to Diane Unruh for being our assistant pianist.

Thanks to Devon Hiebert for creating our stage set and to Gayle Funk for her assistance.

Many thanks to the parents and grandparents for your support and encouragement of these children. To all of you, thank you for your prayers for these children. They are not just the church of the future, but they truly are the church now! They are excited to be a part of Tabor and to give their gifts to you today. · Barb Banman, Director
