I would like to thank Nancy Miller for her work on the stage set, DeVon Hiebert for collecting props, Lee Goertzen for running the sound system today and at practices, and all the parents of Children of Light for helping your children prepare for this day. Thanks also to Sara Unruh for sharing her gifts at the keyboard. To the children of Light, you are an amazing group of singers and actors who have blessed me many times this year. A special thank you to our 8th graders who are graduating from this choir, Jessie Perry, Reece Hiebert, Mark Schmidt and Carson Voth. These young people have not only shone with musical talent, but have also been positive leaders throughout the year. I will miss each of you very much. Thank you to the Tabor congregation for being supportive of these children and encouraging them to use their gifts at Tabor.
