

***Healing: Mind***

Today, we continue our worship series focused on the theme of *Healing*. Throughout this worship series, we will focus on many different types of healing, including physical, mental, emotional, spiritual, and relational healing. This morning, we will focus on mental health, and we extend a special welcome to Eric Schrag, Director of Advancement at Prairie View, who will bring the morning message. Pastors will be available at the front of the sanctuary after the service for prayer and anointing.
