## *Healing: Relationships*

Today, we continue our worship series focused on the theme of *Healing*. Throughout this worship series, we are focusing on many different types of healing, including physical, mental, emotional, spiritual, and relational healing. This morning, as we join with our sisters and brothers in Christ all around the world in celebrating communion, we will focus on healing relationships with God and one another. Pastors will be available at the front of the sanctuary after the service for prayer and anointing.

We are so glad you are here with us to worship God and experience God’s love. This morning you were greeted by Dylan and Lindsey Buller and family and Duane and Sharon Adrian. *A special welcome is extended to all visitors.*
