### “Stories that Stick” Hospitality

This week we are reflecting on the story of Jesus’ encounter with the woman who bathed his feet with her hair. This story reminds us that God is full of mercy and abounding in steadfast love. May we, like the woman, seek to love the Lord with all our heart and soul. And may we, like Jesus, seek to extend God’s grace to all, even those we tend to believe are unworthy of God’s love.

We respect the decisions they arrive at in their desire to keep our church, neighbors and community in good health during this time of pandemic.

Pastoring Through the Pandemic Pastors and church leaders have had unprecedented challenges during COVID-19. How do we care for each other when we can't be together? How do we move toward each other in a time of historical division if we can't be in proximity? How do we reach out when we really should stay home? Tensions, divisions and frustrations abound and the Pastor is at the center of it all. But what if in the midst of challenge comes the opportunity for transformative change? More information: <https://www.hesston.edu/academics/departments/call-program/weekend-college/what-if-they-dont-come-back/> ***If you plan to attend, please contact the church office. ## Mennonite World Conference

### Prayers of gratitude and intercession

Dear Lord, as we enter this new year, steady our hearts to spread the gospel of peace. May we follow your Spirit as we work for transformation and justice in this world. Lord, give us courage to proclaim this message in word and action, especially in places where there is corruption, persecution and natural disasters. Thank you for Jesus' peacemaking example.

Pray that our local congregations find ways to model the love of Christ in their communities which struggle with illness and death due to the pandemic, while at the same time learning how to bridge the political and racial divisions which also exist. Pray that the spirit of unity would bring healing and resilience.

Praise God for the sacrificial work of health care workers who have given themselves in acts of solidarity, generosity and kindness for those who are most vulnerable, afflicted and in need. Through their practical help and pastoral and psychosocial accompaniment, they show God's love in the midst of crisis. Thank you for these lights of hope that bring comfort and peace. Renew their faith, trust and hope.<sup>1</sup>
