Tabor Church News

January, 2023

*"I am about to do a new thing; now it springs forth, do you not perceive it?
I will make a way in the wilderness and rivers in the desert." Isaiah 43:19*

This is a neat scripture verse! It exudes unhindered hope and possibility reminding us that with God all things are possible, even that which seems impossible or improbable. The verse also reminds us we are unlikely to be aware of all God has in store for us and so we forge ahead in faith.

As Tabor enters this year, we embrace our energy, passion, and diversity while also readying ourselves for whatever God will spring forth in our midst. This is just as true for us as individuals. As your new co-pastor, I am discovering the important pillars of Tabor's traditions and wondering along with you about those opportunities on our horizon God will spring forth.

January, the dawning of a new year, is a wonderful time to make space for contemplation, reflecting back and looking forward. A time to reminisce, to wonder, to anticipate. May the Holy Spirit be close at hand as God lays our path out before us.
